DETAILED ACTION

Claim Objections

Claim 5 is objected to because of the following informalities: The phrase “adding” and “into the stored message” should be changed to “combining” and “with the stored message” for consistency. Appropriate correction is required.

Claim 17 is objected to because of the following informalities: The phrase “if audio signals are detected” should be changed to “if voice signals are detected” for consistency.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. Claims 4 and 12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claims 4 and 12, as disclosed in the specification, figures 2-3, page 8 line 9 to page 9 line 2 and page 10 line 29 to page 11 line 2, the termination of sending the stored message is based on the detection of the **user's voice signals** not the audio signals. The audio signals can be recorded upon initiating a call and transmitted as stored message or in combination with a pre-stored message when the call is established and the user's voice signals are not detected.

Correction is required.

Allowable Subject Matter

2. Claims 4 and 12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

The following is a statement of reasons for the indication of allowable subject matter:

The reasons for allowance have been indicated in the Office Action mailed on 03/21/2007.

3. Claims 1-2, 5-10, 13-24 and 26-30 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The reasons for allowance have been indicated in the Office Action mailed on 03/21/2007.
